

e⁴ Teleios School of Theology

Teleios: "...adulthood, full-grown, mature – in mind and understanding; in knowledge of the truth; in faith and virtue... brought to its end, finished, wanting nothing necessary to completeness."

The educational philosophy of the e4 Teleios School of Theology is five fold:

1. The Ephesians 4 gifts are primary for equipping the saints for the work of service
2. Courses should provide quality, life-changing theological training at a minimal cost
3. Courses should be taken in the context of the believing community (ie. local church)
4. Courses should be relevant to the holistic Christian life/ministry (practical application)
5. Courses should result in the making of disciples both nationally and internationally

Courses in the *first three phases* may be taken in any order on a "Completed/Retake" basis. Each course costs between \$30-\$45: the cost of the textbooks + \$5 administrative fee. If a student receives a "Completed" course assessment, a "Certificate of Completion" is issued. Upon completion of all courses, a diploma is issued during a community celebration. Upon graduation, the student is eligible to continue to take one class per session from Equipping Phase 4 *free of charge*.
